# EVENTS AT THE REM & ON THE ROOF

Would you like to celebrate with a group on the rooftop or at REM, or are you planning an event? Depending on the type of event, you'll find the right contact person here:

## **Scenario 1:**

You order vouchers for your guests through our booking system; billing is based on the vouchers used and charged to an account or cost center.

## **Scenario 2:**

We'll set up a group payment for you (table billing):

You'll receive wristbands for your guests, which they can use to order at the food stations. At the end, you or another designated person pays on-site using an ID card, debit card, or credit card. Please let us know who is responsible for payment, including their mobile number, and whether you wish to exclude items such as long drinks or food.

Please note that we cannot make table reservations at REM, but there is ample seating available throughout the venue.

Please send your inquiry to [rem@pace.berlin](mailto:rem@pace.berlin)
